Why Republicans MUST come out to Vote!

Our Republicans will continue to:

- Keep lowering taxes combined with smart, common-sense governance
- Lower the rate of inflation (Remember Democrats' +9% before President Trump?)
- Lower the cost of groceries, basic goods and fuel (Remember Democrats' \$5+ gallon fuel?)
- Lead from a Christian, common-sense foundational view, including the sanctity of human life, religious freedom, free speech, and core family values

If the Democrat Socialists win:

- Promote socialism which drives DOWN our standard of living and drives the economy into the ground
- Lack of common-sense governance, and reckless spending
- Open borders, increased crime and no accountability
- Support and legislate immoral, secular and non-family centered issues
